

Accessories for ZS 92 S / ZS 92 SR

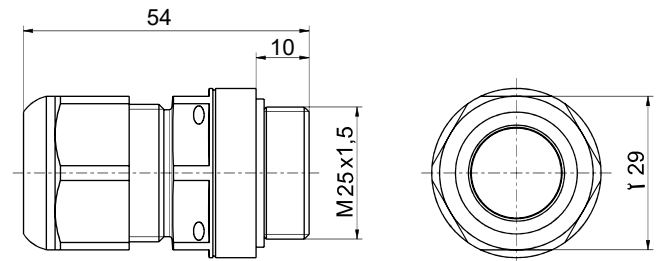

Cable gland M25x1.5 incl. pressure equalization

Article no.: 1284841

Product features

- Cable gland with integrated pressure compensation element – saves material and assembly time
- Prevents penetration of condensation in cases of extreme pressure and temperature fluctuation
- Prolongs the lifetime of electrical devices
- Constant ventilation

Dimensions

Technical data

Cable gland
polyamide, flame resistant, self-extinguishing, black

Sealing
EPDM

Tightening torque
connecting thread of cable gland: max. 4 Nm
cap nut of cable gland: max. 4 Nm

Degree of protection
IP68 (5 bar, 30 min.) to IEC/EN 60529
IP69 to IEC/EN 60529

Clamping range
9 ... 17 mm

Airflow
65 l/h (at 70mbar)

Ambient temperature
-40 °C ... +100 °C
