

Complementary products Wireless Lithium battery type SL-760 Material no.: 1351045

Product features

- Minimal self-discharge
- Shelf life 10 years
- High reliability

Dimensions

Technical data

System

Li/SOCl₂

Nominal capacity

2.2 Ah

Nominal voltage

3.6 V

Lithium content

0.65 g

Volume

8 cm³

Ambient temperature

-55 °C ... +85 °C

Weight

17 g

Errors and omissions excepted.
